Sending International SMS to Mainland China :

Simply enter the Mainland China mobile number and then press send.

Remarks :

- Sending SMS via the above methods will be charged as International SMS. The charges will be calculated separately from IDD1597 free minutes.
- International SMS can be sent to designated overseas networks via the above methods .
- The use of prefix "133" to restrict or allow calling number display is not applicable to SMS sending.
- Charges of International SMS will be counted on each message sent, whether or not transmission is successful.
- International SMS is applicable to text messages only. One message is equivalent to 70 Chinese characters or 160 English letters. Chinese-character display depends on individual handset model and overseas network operators.
- The delivery or receipt of International SMS is dependent upon the overseas operators' network conditions.
- The charged International SMS sending fee would not be refunded, even if the SMS is not successfully delivered due to network condition, or recipient using inapplicable handset, or recipient fails to save the SMS properly in the handset.
- Some handsets and mobile apps may trigger SMS usage, it is suggested to go through the Terms & Condition before downloading or using the services to avoid unnecessary charge.
